Don't know your NHS number?

Your NHS number is a 10-digit number, like 485 777 3456. It is on any letter you receive from the NHS or any prescription you have.

Alternatively, you can request this online through the following link: **www.nhs.uk/nhs-services/online-services/find-nhs-number**

You will be asked for your name, date of birth and postcode and will then receive a text, email or letter with your NHS number.

Can't make it?

You can book an appointment through the National Booking Service either online (**www.nhs.uk/covid-vaccination**) or by phoning **119**.

Please note whilst we aim to be open until the closing times outlined above, clinics may close early if demand has been high on the day
