From Tuesday 17th August 2021

Are you aged 17yrs and 9 months or over and haven't yet had your first vaccination against COVID-19 or do you know someone who falls into this group (family member, friend, neighbour, etc)?

There will be walk-in vaccination clinics in your area on the following days next week:

Chester Zoo, Upton-by-Chester, Chester, CH2 1EU
11am – 7pm

Wednesday 18th August 2021

Chester Zoo, Upton-by-Chester, Chester, CH2 1EU
11am-7pm

Please note the vaccination site is outside of the main entrance gate. You do not need to purchase zoo tickets to access the vaccination clinic

Clinics will be offering both AstraZeneca and Pfizer vaccinations

Please note whilst we aim to be open until the displayed closing times, clinics may close early if demand has been high and all vaccine supply used on the day

You don't need to book an appointment in advance – just turn up on the day.

You will need to provide the following details:

- NHS Number (if you have it)
- Date of birth
- Address
- Email and/or phone number

You'll be given an appointment for your second dose on the day.

Don't know your NHS number?

Your NHS number is a 10-digit number, like 485 777 3456. It is on any letter you receive from the NHS or any prescription you have.

Alternatively, you can request this online through the following link: **www.nhs.uk/nhs-services/online-services/find-nhs-number**

You will be asked for your name, date of birth and postcode and will then receive a text, email or letter with your NHS number.

Can't make it?

You can book an appointment through the National Booking Service either online (**www.nhs.uk/covid-vaccination**) or by phoning **119**.
